• Social and cultural conceptions when working in a multicultural environment. How different origins may influence when working with others.

- CLOTHING
- EXPRESSIONS, TALKING, COMMUNICATION
- FOOD
- MANNERS : corporal, physical, formal or informal.
- RELIGIOUS things.

Working in a multicultural environment usually brings cultural conflicts. Many of the issues ~~that~~ occurred because the differences between people with different origins generates misunderstandings. As this topic affects to many people, it ~~isn't~~ <sup>unwanted</sup> requires a painstaking consideration.

Firstly, clothing is a very important way for cultural expression. Due to the fact that many of us just wear the way we think is the most appropriate to our circumstances, it is essential to respect and tolerate the diverse way of getting dressed, mostly when ~~the~~ <sup>the</sup> clothing has a religious meaning.

Talking about religion, many cultures are totally related to religion. In fact, there is no a culture which has no relation to religious thoughts in a way or other. Some of the habits of our occidental culture exists because of the religion. As it's that important, we have to take into account that it is an important feature for every person. For example, when it's the break day. Christians have sunday as the free day whilst muslims as friday.

Many cultures ~~does~~ not allow to eat certain food. Muslims just eat halal meat and don't eat pork, jews do not eat blood and just some kind of animals. Due to the diverse ~~ways~~ <sup>ethics</sup> with ~~the~~ food diversity in morals about food, it is necessary to bear in mind those differences when having a business ~~meet~~ lunch.

Mediterranean people are very warm and close, sometimes very close. For us, it is necessary to be respectful with other with body language and manners when interacting with people from different countries. Related to this topic, also the way we talk ~~with~~ could affect others. The personal questions or close and personal contact sometimes can be inappropriate.

In conclusion, Not only is it important to be careful with other when talking but also it is necessary to take into account their culture and manners.
